

**MEMO**

NEW JERSEY STATE DEPARTMENT ENVIRONMENTAL PROTECTION

1978

TO Beatrice S. Tylutki, Acting Director, Solid Waste Administration  
FROM John H. O'Dowd, P.E., Acting Bureau Chief DATE September 29, 1978  
SUBJECT National Gypsum Property, Millington, N.J. (E-888)

37290

Frank

In reference to your memorandum of June 20, 1978 on the above cited subject, please be advised that a stream encroachment application (#8419) has been received and approved for removal of sediments and placement of riprap protection along the easterly bank of Passaic River, 350' upstream of Stonehouse Road, Passaic Township, Morris County, New Jersey.
